## PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on August 3, 2006.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

3	<b>Special Condition # 19:</b> You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.
---	---

**Supporting Evidence:** On August 7, 2006, the U.S. Probation Office was notified the offender failed to appear for random urinalysis testing at Second Chance-Iverson Center. The offender has left messages to check in with this office since this information was reported to this officer. To date, the offender has provided no explanation for failing to submit to random urinalysis testing as ordered by the Court.
